Quality Enhancement Plan (QEP) Development and Implementation Committee

This committee was charged with the development and implementation of a new Quality Enhancement Plan. In Fall 2016, this committee developed a proposal for new programs and collaborations between existing programs as part of our next Quality Enhancement Plan on the topic of Students' First Year at UT Dallas, to include first-year students, transfer students, and graduate students. The committee then was responsible for running the pilot of the Quality Enhancement Plan in 2017 and writing the final Quality Enhancement Plan before January 2018.
